## Now That We Have Access

Hebrews 10:1-25

Hebrews 10:1-21

Because of what Christ has done, we have a new level of \_\_\_\_\_ to God.

We have access because of \_\_\_\_\_, not us!

Access to God is not based on your good behavior

The reverse is true... access to God is not declined based on your bad behavior!

Hebrews 10:22

1) Now that Jesus has given us access, we should \_\_\_\_\_ to God.

It starts with Bible reading and prayer.

Hebrews 10:24-25
