Samson: God-Ordained Pain

Judges 14-15

Sometimes pain is necessary to make things _____.

Judges 14:1-4 – Samson went down to Timnah, and at Timnah he saw one of the daughters of the Philistines. 2 Then he came up and told his father and mother, “I saw one of the daughters of the Philistines at Timnah. Now get her for me as my wife.” 3 But his father and mother said to him, “Is there not a woman among the daughters of your relatives, or among all our people, that you must go to take a wife from the uncircumcised Philistines?” But Samson said to his father, “Get her for me, for she is right in my eyes.” 4 His father and mother did not know that it was from the Lord, for he was seeking an opportunity against the Philistines. At that time the Philistines ruled over Israel.

“We can’t exaggerate the danger to Israel. The Israelites were on the brink of extinction. Within a couple of generations, they could have been completely assimilated into the Philistine nation.” - Tim Keller
